## Undergraduate | UI/UX DESIGNER Intern

✉ [sandunivihara228@gmail.com](mailto:sandunivihara228@gmail.com) | ☎ 077 479 0107 | 📁 Portfolio: <https://sanduni-vihara-portfolio.netlify.app/>  
🌐 LinkedIn: <https://www.linkedin.com/in/sanduni-vihara-56990528b>  
🐙 GitHub: <https://github.com/sandu20021111>

Passionate UI/UX design student with hands-on experience in wireframing, prototyping, and user-centered design. Seeking a UI/UX internship to apply design thinking skills and create intuitive digital experiences.

### AREA OF EXPERTISE

#### UI/UX Design

- User research & personas
- Wireframing & prototyping (Figma)
- Responsive & mobile-first design
- UI visual design principles

### ACADEMIC QUALIFICATIONS

|                                            |                       |
|--------------------------------------------|-----------------------|
| <b>BSc (Hons) in Software Engineering</b>  | <b>2023 - Present</b> |
| Faculty of Computing, CINEC Campus, Malabe |                       |
| <b>British English Academy</b>             | <b>2021 - 2022</b>    |
| (Completed with A grade)                   |                       |
| <b>Telijjawila Central Collage</b>         | <b>2018 - 2022</b>    |
| (Completed AL exam in maths stream)        |                       |

### PROJECTS

#### UI/UX Design

|                                                                                                                                                                                                                                                                                                                                                                  |                    |
|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| <b>Food Ordering Mobile App – UI/UX Design</b>                                                                                                                                                                                                                                                                                                                   | <b>2025 - 2025</b> |
| <ul style="list-style-type: none"><li>• Created user flows and clickable prototypes. Followed mobile-first and accessibility principles.</li><li>• Tool: Figma ( <a href="https://www.figma.com/design/r0mPPhlaVUUz4411xluOw6/Restaurant?t=ZNYK8dVyfs7fsVP-1">https://www.figma.com/design/r0mPPhlaVUUz4411xluOw6/Restaurant?t=ZNYK8dVyfs7fsVP-1</a> )</li></ul> |                    |

|                                                                                                                                                                                                     |                    |
|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------|
| <b>MyCola Website</b>                                                                                                                                                                               | <b>2025 - 2026</b> |
| <ul style="list-style-type: none"><li>• Designed interactive prototypes for MyCola Web platform. Created user flows, product pages, and admin dashboard experience.</li><li>• Tool: Figma</li></ul> |                    |

|                                                                                                                                                                                                                                                                                                                                           |                    |

## SKILLS

---

### Technical Skills

- Figma
- Basic HTML & CSS
- Canva
- Adobe XD

### Soft Skills

- Problem-solving
- Time Management
- Adaptability
- Critical Thinking
- Creativity
- Teamwork
- Good communication skills
- Attention to detail
- Self-motivation
- Quick learner

## ADDITIONAL INFORMATION

---

### Languages:

- English
- Sinhala

### Certifications:

- Web Design Beginners - Centre for Open & Distance Learning  
University of Moratuwa **2024 October**

### Volunteer Design Work

#### Graphic Designer (CINEC Media Circle)

- Designed campus flyers for Halloween, Poya Day, and Christmas events
- Created visually engaging layouts using color theory and typography
- Adapted designs for social media and digital platforms
- Tool Used: Canva

### Extracurricular Activities:

- Member of Media Circle (Graphic Designing)
- Member of IEEE at CINEC Campus
- Member of Student Committee in CIRS (CINEC International Research Symposium) 2024
- Member of TechStrike Club at CINEC Campus
